## ➢ Email-1 :

Dear Professor ,

I hope you are doing well. I am writing to respectfully request an extension for the submission of my Assignment, which is currently due on 31st March,2026.

Due to illness, I have been unable to complete the assignment to the standard I aim to achieve. I take full responsibility for managing my time and understand the importance of meeting deadlines.

I kindly request an extension until 7th April,2026. This additional time will allow me to submit work that reflects my best effort and understanding of the course material.

Thank you for your consideration. I appreciate your time and support.

Sincerely,
Ansh Pansuriya

Dear Coordinator,

I hope this message finds you well. My name is Ansh Pansuriya, and I am currently a First Year student studying Integrated MTech(CDS) at VIT Bhopal University.

I am writing to express my interest in potential summer internship opportunities at Amazon. I am particularly interested in this opportunity because of my strong interest in Data Management, and I admire the work your organization does in this area.

Through my academic studies and projects, I have developed skills in Data Structure, and I am eager to apply and further develop these in a professional environment.

I would greatly appreciate the opportunity to contribute to your team and learn from your organization. Please let me know if there are any available positions or application procedures I should follow.

Thank you for your time and consideration. I look forward to your response.

Sincerely,
Ansh Pansuriya
